

# Story Star Blastoff

**Theme: Tricksters**

**Phonics Focus: Words with Many Syllables**

**READ: *Henny Penny* by Kathleen Corrigan**

Have your child read aloud to you, reading the words they can while you help with challenging new words. Encourage them to solve unfamiliar words using the patterns they know, as well as use the pictures for more detail. Learning to read is all about building your toolkit of known words and sounds!

**Extension Activity:**

Work through the included activities at your child's pace. They should be challenged, but not frustrated, and these activities do not need to be done in one sitting. Directions are included for each activity. If your child has trouble, that's okay! You can help them, just try not to give them the answer. They should be doing most of the work.

**READ: *How to Catch a Garden Fairy* by Alice Walstead**

Read this book to your child. If able, let them read to you, or take turns. Along the way, talk with your child about what is happening and how they feel about the story. Ask questions like: why do you think the character did that? How would you solve this problem? What is the story trying to teach us? What was your favorite part of the story? All questions are good questions.

**WRITE and DRAW: *Has anyone ever tricked you? What happened?***

You can use notebook paper or the writing templates provided on our website. As your child writes, let them get their full thought down on paper before you correct anything. This is how they become a writer! As they spell, encourage them to use the rules they know. This is called invented spelling. Even if it doesn't look like what an adult would write, they are still practicing their phonics. Illustrations are always welcome!
